Hi Miguel:

I know things are moving fast, but I wanted to let you that I just spoke with Greg Crowley, East Chicago's Director of Operations. He was asking some technical Qs about the drinking water samples collected during the pilot project that I could not answer, and I wanted to ask you to give him a call. When you get a minute, could you please call his cell at 219 384 – 6324. Thanks.

Chris
